Russ and Anne NejdI

What a wonderful dance we had. Elvis was in the house all night long. Bobby Willis was totally in character as the King himself. You could not help yourself – you wanted to sing all those wonderful songs from the 50's and 60's by Elvis and other artists. There were many poodle skirts, bobby socks, jeans, and white T-shirts. Ron See even wore a white dinner jacket with a pick flower and pink shirt, which made him look very dapper. Of course, Donita was also dressed in pink to match Ron. JL Pelton kept the floor busy cueing a wide variety of songs and dances. In addition to our club members, we had 34 visitors and had to expand into the adjoining dance studio. Dancers were telling us what a wonderful time they had which must be true because we still had 5 squares dancing after the announcements with many dancers sitting one out. Visitors lingered long after the dance was over. We returned banners to the Texas Reelers, Dixie Chainers, Kissin Kuzzins, and Rebel Rousers. Our area NORTEX Vice Presidents – Terri and Fred Lanier, awarded Friendship Visitation dangles to our two club couples that visit the most - Janet and Bob Rodgers and Donita and Ron See. We are so proud of them.

Next week Sunday, the executive board will meet in preparation for the general club meeting on Sunday, November 21st at 4pm. Be sure to save the date on your calendar. We are looking for a site to hold the meeting and have dinner afterwards. We will have some important things to discuss at that meeting, so don't miss it. Let your voice be heard.

Russ and Anne NejdI

Of Interest Club Visitation

Saturday, October 23 -- Tri City Promenaders -- Monsters Mash Dance

The Tri City Promenaders had a wonderful dance Saturday night. There were a total of 80 dancers with 61 of them being visitors. I am hopeful that this is a beginning trend to square dancing picking up the pace again. On Thursday Ray Savell had an episode with a blockage in the larger artery in his heart and went to the hospital and had stents put in. He is ok and doing well. He called a fast pace dance that kept the square dancers going to keep up with the fast dancing. The round dancing floor was always full with Chris Farabaugh cuing some very interesting rhythms for the round dancers to enjoy. Thank you to these Swinging Stars that supported this week's Club Visitation: Nejdls, Rodgers, Sees and Bursons. We already had their banner so we didn't get one. By having 4 couples attending, we did receive a signature toward our 980 Club Visitation Award patch.
