## Square and Round Dance Club

**Newsletter for October 25, 2020**

### Message from Presidents

**Doug and Jan Bergesen**

Why is it every time we are presidents I get injured? Last time I broke my ankle. This time I have a torn meniscus and have to have a knee replacement. Remind me to never become president again! On the bright side, I won't miss too much dancing!

Jan and Doug Bergesen

### **Virtual Square Dance**

**Tom Evanto**

The VSD activity continues to grow with more opportunities being added in recent weeks. Many VSD's are two couples (with one phantom couple). Some full square VSD's are also available. Basic (social club level), Mainstream, Plus, Advanced, and Challenge level can be found. Many are scheduled to avoid conflicts with other VSD's at the same level. There are also some "special events" planned. One recent 3-hour special event featured 11 different callers and 2 cuers.

The resources available to find the VSD's also continues to grow. Here are some places where you can find information about virtual dancing. Please do not post ZOOM links out there in social media or other online forums. Thank you.

\*\* always check ahead to be sure about the time zone for the dance you've selected, so you don't miss it in "your" time zone. <https://www.asrda.org/announcements>

This will mostly carry Mainstream and Plus VSD events.

**From Charlie and Linda Harris**

At our dances, the Swinging Stars are pleased to loan, free of charge, a "listening device" to any requesting dancer. Current inventory is two devices, offered on a first-come first-served basis as each dance starts. Talk to Nevin Mulvin at the check in table. To answer questions about the listening device, email Charles Harris at [harris0907@sbcglobal.net](mailto:harris0907@sbcglobal.net) or phone 214-348-5361.
