### **PRESIDENTIAL RAMBLINGS**

The Assisted Listening Device committee completed their investigation, made their recommendation and has placed an order to acquire the transformer. At the Club meeting last Sunday, a committee of men volunteered to investigate which transmitter to purchase. The committee consisted of Charlie Harris, John Barber, Bob Pitts, Fred Underwood and Richard Covington. Their task was to review two units – the Listen and the Williams unit and determine which one was the best purchase & fit for Swinging Stars. The Club approved the expenditure not to exceed \$550 including taxes, shipping & handling. We passed the hat and raised \$71 in donations towards the purchase of a unit. Plus, we will have a donation basket at our next couple of dances or until adequate amount of money is accumulated to cover the purchase. John Barber, our treasurer indicated that we need to wait till 01/01/2014 to disperse the funds. However, it would be great to purchase the unit through donations rather than taking it out of our operating funds.

After a lot of diligent reviewing technical information on line, comparing specs and talking to company representatives as evidenced by the plethora of emails going back-and-forth. The committee unanimously agreed that the Williams is the best choice. The committee was able to put together a deal that reduced the cost of the transmitter to \$277 less the \$71 in donations so far, we only need another \$206 to cover the cost. Charlie Harris put up the money to go ahead and purchase the unit now so that we can have it in use by the December 13<sup>th</sup> dance. Wow, please join me in saluting the members of the committee for a job well done.

The Williams transmitter is compatible with the Listen & Williams receivers so you may want to investigate them for yourself and make your own decision. However, Club members need to purchase their own receivers and Fred encouraged members to check out the Williams Sound R37N FM receiver. It is a little smaller than the Listen receiver and it automatically seeks out 17 frequencies broadcasted by the transmitter so listeners don't have to fumble with tuning controls. It's also field tunable to match the frequency of your choice. It is digitally synthesized for greater audio clarity and stability. It has a channel-lock capability to prevent accidental channel change. Priced at \$84.99 + ear piece \$14.99 + shipping. You can purchase it at [www.audiolinks.com](http://www.audiolinks.com). I included the flyer on the Listen unit in last week's newsletter. Fred also indicated that they have the analog Listen LR200 at \$76 + ear piece + shipping. You will note that it only has three channels and the batteries have to be removed to move a sliding selector switch to change the channel.

I attached information for the Listen Receivers to last week's newsletter. Note the following information on the Williams Receiver. Please note if you can find six or more interested persons you can lower the price from \$99.88 to \$88 or so.

The quarterly Nortex meeting mentioned to us a couple of dance opportunities that are coming up and we want to share these with you. December 8<sup>th</sup> is the Toys for Tots Dance sponsored by Nortex. It will be held in Richardson at the intersection of HWY 75 and Arapaho at the Richardson Civic Center. The event will kick off with a start time at 2:30 - 4:00 PM with a new dancer dance (Formula 51 dance). Next, there will be plus and mainstream from 4:30-5:30. Rounds and mainstream will follow until 8:00 PM. Just bring a cash donation and/or unwrapped toys for your entry. This will be a community event with many visitors from the area. It is a time to share our passion for square dancing and round dancing. Swinging Stars will also be entering a Christmas Wreath in the contest. The club that wins will receive twelve quarter page ads in the promenade. All of the information is in this month's promenade. Thirteen of the local callers will be calling including our own Wayne Baldwin.

Also, mark your calendars for January 26<sup>th</sup>. This will be the annual Singing Call of the Year dance and the Round Dance Cued Dance of the year at Swingtime . It is 1\$ per vote and you can print the ballet out of the Promenade. We will have ballets at the dance this Friday.

## Anniversary Dance Report

We want to thank everyone that has already signed up to help with our Anniversary Dance. We feel very fortunate to be members of the best square dance club in the world. Well....at least NORTEX. Everyone is so helpful and when asked to help, he or she always says, "what can I do to help".

We have had a good response from volunteers signing-up for the duties necessary to have a successful dance. All of the Desserts are filled and need several more Salads. We have all the Honey Pot and Money Raffle time slots filled. We are in need of volunteers for the Decorations, Beverage Service and Food Service Committees.

We only have 3 more Swinging Stars club dances before our Anniversary Dance. Please take the time to sign up. If you are not going to be at one of our dances call Lorraine 972-396-0841 or email at [Lorraine@Bursons.us](mailto:Lorraine@Bursons.us) and volunteer.

A special **Thank You** to Jeff and Anne Stuart, they graciously said "Yes" when I ask them to host the after party. The after party will be at their home directly after the dance and all is cleaned up. Please bring a light snack and a beverage of your choice. Their address is in the club roster. If you need a roster contact Dave at [Dave@Bursons.us](mailto:Dave@Bursons.us).

Here is a little introduction to Brad Caldwell. He is the Guest Caller that will be sharing the mic with Wayne and Walter.

Brad Caldwell has been a caller since 1988 and has been calling for the Sundancers since they were organized in 1997. The Sundancers have grown from a Mainstream beginner's class to over 140 members in 2008 with a great deal of credit going to Brad. He is very patient with the new dancers and has a smooth technique of guiding you through the square dance step. He also has a beautiful singing voice and can do impersonations of Elvis Presley, Ray Charles, and many more. Brad is a national caller and has called square dancing throughout the country. Brad was born and raised in Texas and prefers to live and work here in his home state. When Brad was a young boy, his parents would take him to square dancing. After the second dance Brad knew he wanted to become a caller. He has been calling dances for over 20 years, and by his enthusiasm you know he enjoys it very much. Brad married Paula in 1999 and moved to Georgetown with children Michael, Andrew, and Randy.

Jim Bondi writes the following:

We really hope many of you will join us at "Friendship Plus" dances. They're held the 2nd and 4th Mondays of the month starting at 7 PM in the Richardson Senior Center on Arapaho ~ 1 mi east of Coit. Note: This is NOT the same format as "ADD+" dances which are targeted at experienced, strong plus dancers. Quite the contrary, "Friendship Plus" is targeted at any level of plus dancers, even "newbies," who need more floor time and a supportive environment in which to improve their skills.

We've been to several Friendship Plus dances recently and enjoy them immensely. How do they compare to the "Plus 4s" dances many attend on 1st & 3rd Wednesdays? The two dances emphasize different things. Plus 4s gives you both "regular" plus and some "dance-by-definition" plus. During the latter, the pace may slow if any struggling dancers need special attention. At Friendship Plus you get lots of "regular plus" at a pace you'll experience at most club dances across the metroplex. Personally, we find that these two all-plus functions complement each other well. Partake of them both and you WILL become a better plus dancer.

We sometimes hear new dancers "worrying out loud" that Mike calls too fast or won't adjust his calling level to the skill level on the floor. We disagree. Especially at Friendship Plus, Mike will help you out if you need it. At our first Friendship Plus dance, our square struggled repeatedly with Relay the Deucey. Mike saw this and, during the next break, offered spontaneous instruction on Relay the Deucey -- just to our square. Indeed, the stated mission of Friendship Plus is to welcome and encourage all levels of plus dancers.

Won't you please try Friendship Plus? You'll be glad you did.

Jim Bondi

**Friendship Plus, November 11<sup>th</sup>**

Nineteen Swinging Stars visited Friendship Plus in Richardson on Monday. Veteran Texas Hall of Fame caller, Mike Bramlett, was in top form all evening, calling stream after stream of polished choreography. To keep all dancers engaged, he offered a good mix of pacing and difficulty, occasionally slowing down or revisiting a move if needed by newer plus dancers. One of our new Swinging Stars callers, Richard Covington, also called one tip, pleasantly surprising dancers with how quickly he's progressing and growing in his new avocation. All attendees had a great time. The visiting Swinging Stars were: the Amys, Bivens, Bondis, Covingtons, Colters, Dennisons, T. Evanto, Moshers, Sees, and the Starretts. Thanks to Jim Bondi for sharing the dance details.

**Lone Star Solos, November 14<sup>th</sup>**

A square of Swinging Stars visited the Lone Star Solos Thursday night for their new student dance. Chris Farabaugh led the rounds and Dave Viera called the squares which included a workshop where he let the new dancers choose the call to work. Both Chris and Dave did a good job keeping the dancers entertained. The Lone Star Solos prepared a wonderful spread of chili and desserts. Everyone had a great time. The visiting Swinging Stars were: Bursons, Covingtons, and the Pitts and new students Bob and Kathy Estep.

### **Double Plus, November 14<sup>th</sup>**

Four Swinging Stars visited Double Plus at Swingtime Center in Fort Worth for all-plus dancing. Ray Savell, guest caller for the evening, began with a workshop featuring two old-time calls, Cross Trail Thru (To Your Corner) and Remake the Thar. Ray then continued challenging dancers for 2 more hours with fast paced patter and singing calls. Both he and his wife entertained dancers during breaks and also sang a duet for one call. All present had a terrific time. Visiting Swinging Stars were the Bondis and Sees. Jim Bondi provided the dance information.

### **Dance of Interest, Texas Reelers, November 15<sup>th</sup>**

A whopping 30 Swinging Stars plus 8 of our students visited the Texas Reelers Friday night. The dance was a new dancer dance with a Salute Veterans theme which brought out the red, white, and blue ensembles en masse. Jack von der Heide manned the rounds and Deborah Carroll-Jones called the squares. The visiting Swinging Stars included: the Amys, Bondis, Bursons, Covingtons, Feldmans, Hamms, Harrisers, Lassiters, Loxsoms, Pharrs, Pitts, Smith / Hardin, Sees, Sherman, Sobotkas, and the Starretts. We also had many of our students at the dance including: Bob and Kathy Estep, Jim and Katy Halvorson, Jeff and Martha Lloyd, Joel and Marilyn Kern, Jim and Linda Flack, and Steve and Debbie Sherrell. And these guys all danced great.

### **Triangle Squares, November 15<sup>th</sup>**

Four Swinging Stars and one of our students joined the Triangle Squares for their dance Friday night. Both the rounds and squares were cued and called by Toby Thomason. Toby did a little bit of old time dancing as he integrated the call, Dip and Dive, into the squares. The dancers enjoyed a baked potato dinner. The Swinging Stars attendees included the Hawkins and Colters and student dancer, Ann Koenig. Thanks to the Hawkins for sharing the dance details.

### **Official, Dixie Chainers, November 16<sup>th</sup>**

A dozen and a half Swinging Stars visited the Dixie Chainers for their 55<sup>th</sup> anniversary dance in Farmers Branch Saturday night. They had an impromptu red, white, and blue theme since their dance hall was still adorned with incredible decorations from the Veterans Day celebration which included hundreds of red, white, and blue balloons, military banners, and flags. Rounds were cued by Jack von der Heide who expertly catered to both newbie and veteran round dancers. The squares were executed by the full suite of Jones: club caller Vernon Jones and close family Jon Jones and Deborah Carroll-Jones. Deborah opened with an inspiring version of the Star Spangled Banner. Then the trio kept the squares hopping with many lively tunes all night. The Dixie Chainers had a delicious array of crock pot treats and desserts for the dancers. The Swinging Stars at the dance were: P. Amy, the Bursons, T. Evanto, Harrisers, Hawkins, Heintzes, Pitts, Sees, Smith / Hardin, and C. Wolfe. We didn't snag one of their banners because we already have one.
