### Message from Presidents

**Doug and Jan Bergesen**

Many of us are feeling a bit rusty when it comes to our square dancing. At our next club meeting (which isn't until May 2nd), we will be discussing something called Social Square Dancing as an easy way to get everyone up to speed and teach square dancing to a society that is starved for human interaction. The lessons are only 12 weeks long since a shortened list of calls is used. So in these next couple of months, be aware of those around you who might want to join our activity and learn (or re-learn) right along with you.

Doug and Jan Bergesen

## Sunshine information

**From Lucy Hamm our Sunshine Reporter**

This past week the snowstorm of the century has touched us all. Some of our members have had a loss of power, to some extent, and a few experienced a loss of water supply. A few of us can count our blessings and our luck that we did not lose power, water or even the internet. Our state made national news as some of our residents truly suffered great loss. I heard from everyone I know in Virginia, Colorado, and of course California (frequently). Ralph heard from siblings in Texas. One of my favorite authors, whom I follow on her Facebook site, (I have read her 4 books) said she saw Texas on the news on her local TV...in Scotland. Saturday was warmer and brighter and we can be hopeful for spring to come our way soon.

President Becky Page of the T Square Gadabouts sent out information concerning the memorial service for Rick Smith. It will be on Thursday morning February 25th at 9:30 am at Greenwood Funeral Home 3100 White Settlement Road, Fort Worth, Texas 76107.

Prior to the storm, some of our members shared their activities and changes from this past year. Mary Hardin has done a lot of quilting and has made many masks....not dancing yet but she is hopeful for this year.

Jan Covington retired in May 2020 and Richard retired in July 2020 (best job to have, Ralph says). They have traveled in their motor home and to their house in Burkburnett, Texas. They have not done any dancing yet.

John and Debra Cave are working with Meals on Wheels 2 days a week. Debbie has been home schooling their two grandchildren and John is helping with taxes through AARP at the McKinney library (not face to face).

The Caves are still hosting monthly Zoom meetings for the Texas Reelers. They visited the Stone Steppers 3 weeks ago and hope to dance again in a few weeks.

Several of our members are waiting on their 2nd COVID vaccinations... hopefully in late February or early March. Everything depends on how long the storm delays shipments.
