Message from Presidents

Doug and Jan Bergesen

This last week I sent out a brief description of what social square dancing is and its purpose. I also promised to send out a list of the calls in mainstream that were taken out to make SSD. Here is the list. Do passo, walk around your corner, seesaw, thar family, slip the clutch, shoot the star, Cloverleaf, turn through, 8 chain through, pass to the center, spin the top, walk and Dodge, spin chain through, Dixie chain to an ocean wave. With a good caller like Bobby, you will find you won't miss them at all!
