INFORMATION YOU NEED TO REMEMBER

FORMAT CHANGE:

Format change to start at the April 13th dance: Mainstream DBD Workshop will on the 2nd Friday. The Early Rounds are being moved to the 4th Friday. The reason for the change is that our advertised theme dances are usually scheduled on the 4th Friday and most round dancers want to attend the early rounds. We hope that this will generate more visitors to our advertised theme dances.

CHANGE IN DANCE LOCATION:

Be sure to take notice that the May 25th dance will be held at the Wilson Middle School cafeteria. Wilson Middle School is located at the corner of Custer and Grandview Dr. Next door to Shepard Elementary. This is one time only. The Shepard Elementary School is not available for that night. FOR THE PLUS DANCERS

18th Annual Chaparral Evening in Paris Dance. August 31st and September 1st.

I am organizing a weekend trip to the 18th Annual Chaparral Evening in Paris. August 31st and September 1st. If you have attended this dance, you can remember all the fun we had dancing to these 5 great callers: Ken Bower, Marshal Flippo, Jon and Deborah Carrol Jones, and Gary Shoemake. All are international callers that go all over the world calling. Round dancing will be to Sonny Ezelle. There is a special bonus for attending this dance for the club. If we get 3 squares to attend we can earn \$100 for the club's treasury. Add to that when you spend money in Paris, you save all your receipts, sign your name on them and throw them into a big bucket. After the Saturday night dance there is an After Party where they have refreshments, some very funny skits, and lots and lots of prizes. They draw the receipts and call out the name on the receipt. If they call your name, you win a very nice gift donated by the merchants that are members of the Paris Chamber of Commerce. Be sure to pick up a flyer for this weekend at our next club dance. Or go to our Web site www.swingingstars.org and click on Special Weekends.

Some have already said that they would like to attend. You can go ahead and get registered. When you send your registration, be sure to say you are with the Swinging Stars, Lorraine's group. If you don't tell them when you register they won't give us the credit toward our \$100. If we happen to get 12 couples we will get \$100 for treasury. If not we will have a good time.

Be sure to let me (Lorraine) know that you are going, I would like to keep track of how many are going.

Please let me know what you think.

MEMBERSHIP NEWS:

Up date from Jack Duncan

Had back surgery yesterday, doing fine so far, no major pain even without taking anything. Won't know how effective the procedure was on alleviating or better doing away with my leg/hip pain. I am not to bend over or lift for two week and then only limited activity for 2-4 weeks after that so I WILL NOT be able to dance the month of April and maybe even some of May. Would love to make some of the special dances, they sound like fun. Please pass along why I won't be around for a while, this also includes Plus 4s and ADD+.

Thanks,
jack

This is an update from Adam and Jean Sobotka's about their daughter:

Hi Everyone,

Sorry it's been a month since my last update on Karen, but it's been a very busy month for us. The port that Karen had put in February 22nd has been working well. She resumed her chemo treatments the following Wednesday on February 29th and is continuing with treatments every other Wednesday.

The unfortunate part is that she started having seizures right after the port was implanted and even with a change in her meds, she continues to have occasional seizures. Another change this past month is that she has been more tired and is having more headaches. Fortunately there are good days for her, but unfortunately a few more bad ones too. As a result of watching the changes in Karen, we also are having more stressful days.

Jeff, Karen's brother, came for a weekend visit in early March. I think Karen really enjoyed his visit and I was so glad they were able to spend time together. Fortunately Wendy has been able to be there for Karen through this whole ordeal and it's brought them closer together.

The last couple weeks, it's been necessary for two of us to be with Karen during the day. Because she has gotten weaker, it's harder for her to balance & move her right foot. Since the stroke in October, Karen hasn't regained use of her right arm or leg and her speech is still a problem.

Today she had another MRI and we are all praying that there's a good report. February 1st, when Karen had her last MRI, there was a very slight improvement and it would be wonderful if we'd at least get the same report from this one.

The Head for the Cure walk for brain cancer is coming up quickly, just over 2 months away on Saturday, May 12th. I am including the web site for either registration and/or donations if you are interested. <http://headforthecure.com/> If you have any questions, please email me & I'll help you with registration or donations so that Karen (KK's Crew) gets the credit.

Also, if you are interested, there is a RED shirt that we had made especially for our group. It was great to see everyone with their red shirts last year, and it made it easy to find people. If you are interested, please let me know & I will get you that information.

We love you all so much and really appreciate you keeping us in your thoughts and prayers. It's been a long hard battle for Karen & for her family, but you've been there with us, and we thank God that we still have Karen with us today.

Now for the Adam update.....

Adam finished his 42 radiation treatments for prostate cancer on March 12th. He will see his Doctor mid-April and will discuss how he will proceed from that point forward. He is still dealing with some of the minor side-effects from the radiation, but I think each day seems a little better.
