### Message from Presidents

#### David and Peggy Edwards

Swinging Stars, just another reminder of our upcoming club meeting on May 19th at 3 p.m. at Spring Creek Barbecue in McKinney at Hwy. 75 and 380. An email will be sent out around May 5th when the agenda has been finalized, which will be at least one dance prior to the meeting in accordance with the club by-laws.

There will be some constitutional and by-law issues that will be presented before the club. One is an automatic change because the club status has changed, and this has to be reflected in the constitution.

We need as many Swinging Stars as possible to be in attendance. Please plan around our meeting if at all possible.

Also, be aware that our April 26th dance location has changed and will be at Sigler Elementary School  
1400 Janwood Dr  
Plano, TX

Our guest caller will be Bobby Willis. Let's have a large turnout for Bobby and Dalaina.

We have been informed that our May 10th dance with Tim Tyl will also be at an alternate location as well. The school needs to use our venue for something school related on that night. They are trying to relocate us, but as of now we are not sure where we will be dancing. A big thank you to Linda Harris for coordinating this with the PISD for the Swinging Stars.

We are looking forward to seeing all of you at our next dance.

David and Peggy Edwards

## Round Dance Lessons update

### From JL and Linda Pelton

### Slow Two Step lessons -- Coming June 22

Slow Two Step beginning lessons are rarely offered so this is a great opportunity for you to join our beginning class at Carpenter Rec. Center this summer. Slow Two Step dances you might have seen cued at Swinging Stars include Two Many Rivers (JL cued that one last night), Girl Crush (often cued by Walter), and Rachel's Song. This rhythm on the social scene is also called Night Club Two step.

Come join us on Saturday mornings, 11:15 to 1:15 and try it out. No previous round dance experience is needed for this class.

## **Sunshine information**

**From Lucy Hamm our Sunshine Reporter**

Bob Estep had an MRI and they found the source of his pain. He has a cracked or broken tail bone. He didn't fall, but they think it is due to weak bones.

He saw the radiology specialist Thursday about the breaks/cracks in his rear. It showed cracks on the flat area of his hips. The cracks will not heal on their own. They are going to go in using long needles and use medical grade super glue. They are doing the procedure Monday, April 22 at 11:00. They will lightly put him under. If all goes as planned, they will go home that day. The pain should be better in a couple of days, but it will take a couple of weeks to go away. Please continue to pray for Bob and Kathy. (Thanks to Ron See for this news report).

At the T Square Gadabouts Anniversary Dance in Fort Worth Friday night, Ralph and I visited with Rick Smith. We all remembered fondly when he and Wayne called together on numerous occasions at Swinging Stars. He sends the club his best wishes as we find a new caller, not to replace Wayne but to keep us dancing well. Jack Von der Hyde also wished our club good luck.

We also continue to keep Zari and Nevin in our thoughts as they continue to heal and return to our club dancing in the future.
