Square and Round Dance Club

Newsletter for August 23, 2020

Message from Presidents

Doug and Jan Bergesen

Jan talked with Wayne Baldwin this week. He's getting better all the time!

So how is everyone coming along getting a square ready for September 13th virtual dance? We have three couples so far and we're meeting at someone else's house instead of our driveway! Much better. To find the virtual dance, someone in your group has to be on Facebook. The link will be published on Facebook page that Sunday morning. Look for the flyer at the end of this newsletter. If you aren't on Facebook and would like to attend let us know and we will send you the link.

Labor Day Weekend

Walter Brewer

Dear Swinging Stars,

Eula and I have missed you greatly and wanted to tell you about an exciting square dance weekend coming up. We realize that many (maybe even most) aren't considering dancing again for a while. But, some of you are ready; and if so, a fabulous event is coming soon, and too far away.

The venue is in Elk City, OK West of OKC. Host hotel has a \$45 room rate. For those who camp there is RV camping on site with water and electric for \$20 a night. A campground is also near the host hotel. The primary dance level will be mainstream with plus tips.

Also there will be two sessions featuring A2 level. I will even have an intro to round dance session after lunch.

We would love to have you attend. Precautions will be taken to help avoid any spread of any contagion. A flyer and tentative schedule is attached. (See on next page.)

Cheers, Walter Brewer

Virtual Square Dance

Tom Evanto

The VSD activity continues to grow with more opportunities being added in recent weeks. Many VSD's are two couples (with one phantom couple). Some full square VSD's are also available. Basic (social club level), Mainstream, Plus, Advanced, and Challenge level can be found. Many are scheduled to avoid conflicts with other VSD's at the same level. There are also some "special events" planned. One recent 3-hour special event featured 11 different callers and 2 cuers.

The resources available to find the VSD's also continues to grow. Here are some places where you can find information about virtual dancing. Please do not post ZOOM links out there in social media or other online forums. Thank you.

** always check ahead to be sure about the time zone for the dance you've selected, so you don't miss it in "your" time zone.

Refreshment Duty Information

From Rick Pehrson (Rookie Refreshment Scheduler)

We want to thank these team members for your contribution to Swinging Stars. Your efforts make *Swinging Stars* the best club to visit in the metropolex.

Team leader should contact their team members the week before **the dance prior** to their scheduled dance so that each member can pick up a Refreshment Bag after that dance. Teams are responsible for food of their choice, ice and 5 tablecloths, which can be purchased at any Walmart or Dollar Tree. If you need supplies contact First Vice Presidents Alex & Vanessa Nestor. Please do not buy supplies without first checking with the Nestors (469.235.2971) or 1stvp@swingingstars.org. If you have additional questions, call or text Rick Pehrson (972-837-6999) or email Rick at patrick33081@verizon.net.

Team members are responsible for finding a replacement if they are unable to fulfill their scheduled obligation (refer to the schedule below for possible subs – see current roster for email address or phone number). Please email Rick at patrick33081@verizon.net of the change.

Until further notice the Refreshment Duty Schedule will not be published in the Newsletter. The schedule will resume when refreshments are added back to the agenda.

Sunshine information

From Lucy Hamm our Sunshine Reporter

Some of our members have relatives and friends (including some former Swinging Stars members) in California. Our thoughts and prayers are with the victims of the widespread fires. Two tropical storms, Laura and Marco, are in the Gulf of Mexico and may form hurricanes to threaten Louisiana and Texas. We still have the COVID-19. Much as we miss dancing with our friends, we are fortunate to have most of our lives in pleasant circumstances. Communicate with loved ones and friends.

Special dates to put on your calendar

Sunday November 8, 2020, 4:00 PM – Swinging Stars General Meeting – Location TBD

Friday December 4, 2020 – Swinging Stars Annual Holiday Party – Haggard Party Barn

Listening Device Information

From Charlie and Linda Harris

At our dances, the Swinging Stars are pleased to loan, free of charge, a "listening device" to any requesting dancer. Current inventory is two devices, offered on a first-come first-served basis as each dance starts. Talk to Nevin Mulvin at the check in table. To answer questions about the listening device, email Charles Harris at harris0907@sbcglobal.net or phone 214-348-5361.

Notice to anyone interested in purchasing a listening device receiver for square or round dancing, contact Charles Harris. He has one new William Sound PPA R-37. The new unit is priced at \$90.00 and includes the earphone. It is the 17 channel unit versus the 3 channel Listen Brand units and has a five-year warranty.
